**5. RELEASE AND INDEMNIFICATION FOR VOLUNTEERS** – if the volunteer is a minor all references to “I” refer to the parent or legal guardian agreeing and acknowledging for their minor child.

I am being allowed to perform service voluntarily. I voluntarily and knowingly execute this release and indemnification with the express intention of effecting the extinguishment of any and all claims against the City of College Station, Texas, (City) its departments, officers, employees, agents, successors, assigns, sponsors and volunteers assisting in City activities, which may result from the agreement as herein designated above. Being over the age of 18 years and being of sound mind, I hereby request the City permit and allow me to work as a volunteer for the City. As part of volunteering, I will be allowed access to various City facilities and may be allowed to use certain equipment or vehicles.

**As consideration for the City allowing me to serve as a Volunteer, I hereby state:**

I am not an employee of the City and all the activities I perform will be as a Volunteer. As I am not an employee, I will perform work as a Volunteer without pay and with no expectation of pay or any other benefits from the City.

**I with the intention of binding myself, my heirs, executors, administrators, and assigns, do hereby expressly release and discharge, all claims, demands, actions, judgments, and executions, which I ever had, or now have or may have, or which my heirs, executors, administrators, or assigns may have, or claim to have, against the City, and its departments, its agents, officers, servants, successors, assigns, sponsors, volunteers, or employees, created by, or arising out of personal injuries, known or unknown, and injuries to property,**

real or personal, or which may arise directly or indirectly from the performance of or created by or arising out of my volunteer service during times of this indemnity agreement. I hereby personally accept and assume all risk and responsibility for any harm, injury, or damage, to myself or my property, while I am on City owned property and while performing activities for my Volunteer participation.

I shall fully defend, protect, indemnify, and hold harmless the City, and its departments, agents, officers, servants, employees, successors, assigns, sponsors, or volunteers from and against each and every claim, demand, or cause of action and any and all liability, damages, obligations, judgments, losses, fines, penalties, costs, fees, and expenses incurred in defense of the City, and its departments, agents, officers, servants, or employees, including, without limitation, personal injuries and death in connection with and that may be made or asserted by myself, my agents, my successors, my assigns, or any third parties on account of, arising out of, or in any way incidental to or in connection my volunteer service participation including, but not limited to, claims and damages arising in whole or in part from the negligence of the City.

I further authorize the City's employee or agent supervising this activity to secure medical care for me in the event of injury. I promise to assume liability for payment, and hold harmless the City, its officers, employees, sponsors, volunteers, or agents, of medical expenses arising from said medical care for said injury.

I hereby give the City the right to photograph, televise, film, and sound record my acts, appearances and utterances of me and to use any descriptive words or names, including my name in conjunction therewith and without limit as to the time, to produce and reproduce the same or any part thereof by any method and to use for any purpose which the City deems proper. All such photographs, films and sound recording shall be the exclusive property of the City and I hereby relinquish all rights, title, and interest therein.

The City conducts an initial criminal background check on all prospective volunteers. The check may include search of criminal history records, drug screen and driving history records. A prospective volunteer will be rejected if the prospective volunteer's criminal background check reveals the volunteer applicant has:

- a. Any felony convictions.
- b. Any misdemeanor convictions involving violence, theft, drugs, or sexual misconduct.
- c. Been arrested, but not convicted for any crime that would make the prospective volunteer unacceptable for volunteering for the City.

During the term of volunteering, the City may require the volunteer to submit to another criminal background check. In determining the use of information obtained from a criminal background check, the following is taken into consideration: the nature and gravity of the offense, nature of volunteering, and time elapsed.

I have read this release and indemnification. I execute it voluntarily and with full knowledge of its significance.
